**The Recovery and Resilience Mechanism**

**through the National Recovery and Resilience Plan - Pillar I. Green Transition - Component C6.  
Energy**

**Investment measure - Investment I.1 - New renewable electricity generation capacities**

## I. GENERAL DATA

This present Final Report of the competitive procedure for the award of the supply agreement for the implementation of the project "CONSTRUCTION OF PHOTOVOLTAIC POWER PLANT, LAND ENCLOSURE, TRANSFORMING STATION, ACCESS ROADS, ELECTRICITY GRID CONNECTION LINE" initiated by publishing an announcement in the „Adevarul" newspaper of 21.08.2023 and on the website <https://www.econergytech.com/parau-project-tender-2/> (the "Procedure" and the "Procedure Report") is drafted in accordance with the *Methodological Guide for Private Beneficiaries applicable to the conduct of procurement procedures for the award of contracts for the supply of products, provision of services, execution of works financed from non-reimbursable and reimbursable external funds related to the Recovery and Resilience Mechanism* (the "Guide").

The Procedure Report is prepared by the Evaluation Commission constiuted under the Directors' Decision of HELIOLUX S.R.L. dated 29.05.2023 (the „Evaluation Commission") whose members voted by e-mail on 24.08.2023.

## II. ANNULEMENT OF THE PROCEDURE AND INITIATION OF A NEW COMPETITIVE PROCEDURE

Ascertaining that the conditions of the Procedure require modifications, as well as the fact that at the time of the decision to cancel the Procedure, no bid has been submitted, the Evaluation Commission decided to annul the Procedure initiated on 21.08.2023 and to initiate a new competitive procedure with the same object as the current Procedure.

Therefore, an announcement of the annulment of the Procedure will be published in the "Adevarul" newspaper and on the Private Beneficiary's own website, with the link <https://www.econergytech.com/parau-project-tender-2/>, this Report being also available on the above-mentioned website.

## III. NO COMPLAINTS WERE SUBMITTED

According to Article 6.5 para. (1) of the Guide, this final Report of the Procedure includes information on the result of the activities carried out during the stage in which complaints can be submitted.

Although no economic operator has expressed interest in participating in the Procedure, no bid being submitted until the decision to cancel the Procedure has been taken, respectively until the draft Report of the Procedure has been published on 24.08.2023 on the Private Beneficiary's own website, with the link <https://www.econergytech.com/parau-project-tender-2/>, the Evaluation Commission waited for the expiry of the 5 (five) day deadline following the publication of the draft Procedure Report, provided for both in the Guide and in the Procedure's technical book, within which complaints may be submitted by economic operators who consider that their rights have been infringed as a result of the way the Procedure was conducted.

Considering that the challenge period has expired without any challenge regarding the draft Procedure Report being submitted by any economic operator, this Procedure Report is considered final. It

shall be published on the Private Beneficiary's own website, with the link <https://www.econergytech.com/parau-project-tender-2/>.
